In-Class Essay
English 101

Name: _____

Essay grade: _____/ 100

Card Grade: _____/10

Instructions: Much like Lubrano defines "straddlers" and Lowen defines the processes of "herofication," coin a term for a group or process related to an educational experience you personally observed during your schooling. You may commandeer a word from existing vocabulary and craft a new, localized meaning relevant to the group or process you are describing, or you may create a new word entirely. Your response should take the form of a five-to-seven paragraph essay with an introduction and conclusion.

Title: _____
